**Letter Of Reference**

To Whom It May Concern:

As a result of such splendid service, I am writing this reference letter in support of Print Three and the creative business services they provide.

On numerous occasions throughout the last few years, I've had the opportunity of working with Alexandra, Mark and their staff. All members of Print Three "Team" are very courteous, knowledgeable and they conduct business very professionally.

Any printing requirements that I needed were dealt with in a timely manner. The quality of their printing is excellent and is priced very competitively.

I would strongly recommend any business that requires creative printing solutions to consult with Print Three first, before looking at alternatives.

Yours truly,

Wayne Zawisza  
Principal
