**The Print Three Team
Kelowna**

Congratulations and best wishes on the occasion of your “Grand Opening Celebration”.

As a new industry in Kelowna, we at Dynasty Motorcar Corporation have sincerely appreciated your help in printing our material, often on very short notice. Your creative ideas, up-to-date computerized equipment, staff courtesy and knowledge, patience and diligence has helped us tremendously as we grow.

We wish you every success and look forward to a long and mutually rewarding relationship.
