Dear Alexandra- Print Three,

Please accept our sincere thank you for your generous donation of the printing of our flyer for our ninth annual "Kids Day International™" event. Our purpose was to educate children and inform parents of the health, safety and environmental issues that affect us as individuals and as a community. We feel we successfully achieved our goal and you helped us to make a difference!

We had over 150 new friends and neighbors attend this event and we provided Child ID cards to more than 70 children! The cooperation we received from individual members and businesses such as yours in our community was overwhelming. It was wonderful to see everyone come together for the benefit of our children!

We look forward to your anticipated support at next year's event.

Yours in health,

Dr. Pereverzoff, Leanne and Jen

Thank you for coming through for us in short notice - Your generosity & hard work helped make our event a success.
